

WATCH OUT CARD GAMES, HERE COMES **KINGPIN!**

The all new 2-in-1 Kingpin Skill-Play Video Bowling Game. Players enjoy their choice of 2 Skill Bowling games – KINGPIN and Tournament Bowling.

KINGPIN is the new 5-alley skill bowling game that offers all of the excitement of cards without any of the complications.

While the pins are flashing different colors, the player tests his skill at bowling winning combinations. Didn't make it the first time? Bowl again re-setting those losing lanes. Score a winner and try your luck at Double-up.

TOURNAMENT BOWLING challenges 1 to 4 players to a traditional 10-frame game. Designed for tournament competition, players are ranked by score after each frame. The high-scoring pros then enter their initials in the KINGPIN Hall of Fame.

Now is the time to replace those long-alley bowling games and earn more income in less space.
